HORSE OVERVIEW

A flashy-looking son by Kantharos, this ridgling was sensational in his quarter-mile work of 20 2/5 to share honors for the fastest work at the distance at the second session of the OBS under tack show. Eligible for \$4 million stallion bonus.

MyRacehorse and Spendthrift Farm partnered to acquire this full brother to stakes winner, Adventurous Lady, for \$575,000 at the second session of the Ocala Breeders' Sales Company's March Sale of 2-year-olds in training. Seven-time Eclipse Award-winning trainer Todd Pletcher will train this ridgling.

This son of Kantharos breezed the co-fastest quarter mile of the sale in 20 2/5 and in doing so showed an impressive stride that looks like can go a route of ground beyond what is traditionally accustomed to by his sire's offspring. Our partner Spendthrift Farm also had the same assessment during an interview with Thoroughbred Daily News.

"He's just an absolutely beautiful horse," said Spendthrift's farm manager, Ned Toffey. "He had a little more leg than you might typically find on a Kantharos – just a very classy-looking horse. I feel comfortable that he'll be very fast, but he looks like a horse who may be able to stretch out a little bit as well. We thought he had one of the best breezes that we saw. Kantharos may be a little bit quiet right now, but that doesn't bother me – we think he's a very good sire. We're very happy to have one. Just a very impressive physical – he was our pick of the day."

OWNERS BADGES

OPPORTUNITY TO APPLY FOR OWNERS BADGES,WHENEVER YOUR HORSE RUNS

This is a truly memorable experience, particularly if your horse is a winner !

Owners will be issued with a very limited number of owners badges for free entrance to the racecourse, along with access to the parade ring. These badges are given away via a ballot, with all owners welcome to apply. There will also sometimes be an additional allocation of reduced price owners badges allocated in the same ballot.

Don't forget, if your horse is running, even if you don't receive an owners badge, you can still go to the racecourse to see YOUR horse running !More information
